

TECHNICAL DATA SHEET

MIRACLE CLEANER

DESCRIPTION

Rockstar MIRACLE CLEANER is heavy duty cleaner that removes the toughest built up dirt and grime. Can assist in reducing oil and grease stains on all Natural stones. Assists in removing graffiti. ROCKSTAR MIRACLE CLEANER has a pleasant citric aroma.

USES

MIRACLE CLEANER will assist in removing oil and fat deposits from most hard surfaces.

MIRACLE CLEANER aids in removing graffiti from surfaces treated with Rockstar Anti-Graffiti.

BENEFITS

- Powerful de-greasing action removes the most stubborn stains and grime
- Will assist in removing graffiti
- Degreaser to help remove oil and fat deposits

PROPERTIES

Appearance and colour.....	Colourless to yellowish liquid
Specific Gravity (Water = 1).....	0.90 g/ml
Boiling Point.....	175-190 °C
Solubility in Water.....	Partially Miscible
Flash Point.....	48 °C

APPLICATION INSTRUCTIONS

1. Always apply first to an inconspicuous area or scrap piece of stone to ensure the suitability of this product for the surface to be cleaned.
2. For normal dirt and grime - Dilute 1:5 with HOT water and apply to the area by mop or sponge. Allow the solution to sit for 5-10 minutes. Scrub the wetted surface with a scrubbing brush or machine to loosen the surface contaminants. Sponge or wet vac up the slurry. A final wash with Rockstar NEUTRAL CLEANER will neutralise and remove any residue.
3. For extra heavy dirt and grime – Dilute 1:2 and apply as per (2) above.
4. For graffiti removal – Apply undiluted MIRACLE CLEANER to the surface using a brush and allow to soak for 15 min, with intermittent scrubbing. Blast the surface with high pressure not water.

PRECAUTIONS

1. Avoid contact with skin and eyes by wearing suitable protective gloves and eyewear.
2. Always rinse thoroughly

CLEANING

Clean all equipment in water.

PACKAGING

MIRACLE CLEANER is available in
5 and 20 Litre Containers / 1 Quart /
1.32Gal / 5Gal.

STORAGE

Keep container tightly closed when not
in use. Store in a cool, dry place out of
reach of children.

SAFETY

Classified as Hazardous according to
criteria of Worksafe Australia.
